

## From the Office of the President

*Tuesday, June 6, 2017*

Greetings New Mexico Tech Community,

I'm pleased to announce our budget for the coming fiscal year has been approved by the Board of Regents. Included in the FY18 budget is a 1.5% raise across the board for all New Mexico Tech employees, pending approval from the Higher Education department. It's important that we take care of our own - that we do all we can to look after those who work tirelessly to make New Mexico Tech an elite institution of higher learning whenever possible.

I thank you for your efforts, and ask that you continue to put first that which makes New Mexico Tech such a special place.

Best regards,

Stephen G. Wells  
President
